TRIBUTE . . .

On behalf of the entire student body at Pioneer, the Annual Staff takes great pride in paying tribute to and dedicating the 1983 Torch to a person whose humble yet energetic attitude and endless concern for students has helped to strengthen all aspects of Pioneer life.

This outstanding Titan supporter grew up and attended schools in the city of San Pedro. In 1964, he graduated from Lasuen High School. He received his Bachelor of Arts Degree from Loyola Marymount University in 1968 and his teaching credential in 1969.

Pioneer High School gave its calling in 1969 and his career here has since been one of service to students in a multitude of areas. He has taught both Clinical Reading and Bilingual English. He has worked with college bound students for several years serving as Expanded Horizons Director from 1971 to 1974.

He then took a leave from Pioneer for two years to earn his Administrative Credential. At that time he directed the Reading Resource Center at Loyola Marymount which provided tutorial and other supportive services to students.

His return in 1976 had him serving as Curriculum Coordinator until 1980 at which time he assisted with the gifted and talented program and the development of Omega School. Since 1980, he has served as the Expanded Horizons Assistant Director, again helping students prepare for college.

The involvement of this man in our school has continued effortlessly with student organizations. From the beginning of the Exchange Program with Japan, he has overseen all the details of both hosting the Japanese students and sending Pioneer students overseas. He is currently participating in the International Club activities and in the Santa Fe Springs Sister City Committee. As advisor for the Horizon Club, he has been involved in activities ranging from car washes to camping trips in Yosemite.

Being a devoted family man, the time not spent tending to our school is lovingly spent rearing his three children Monica, Carlos and Xavier with his wife Lily at their home in Whittier.

In appreciation for his deep and strong commitment to helping Pioneer students, for encouraging all students to develop their full potential, and for his tireless work outside of school hours assisting students and parents, we dedicate the 1983 Torch to . . .

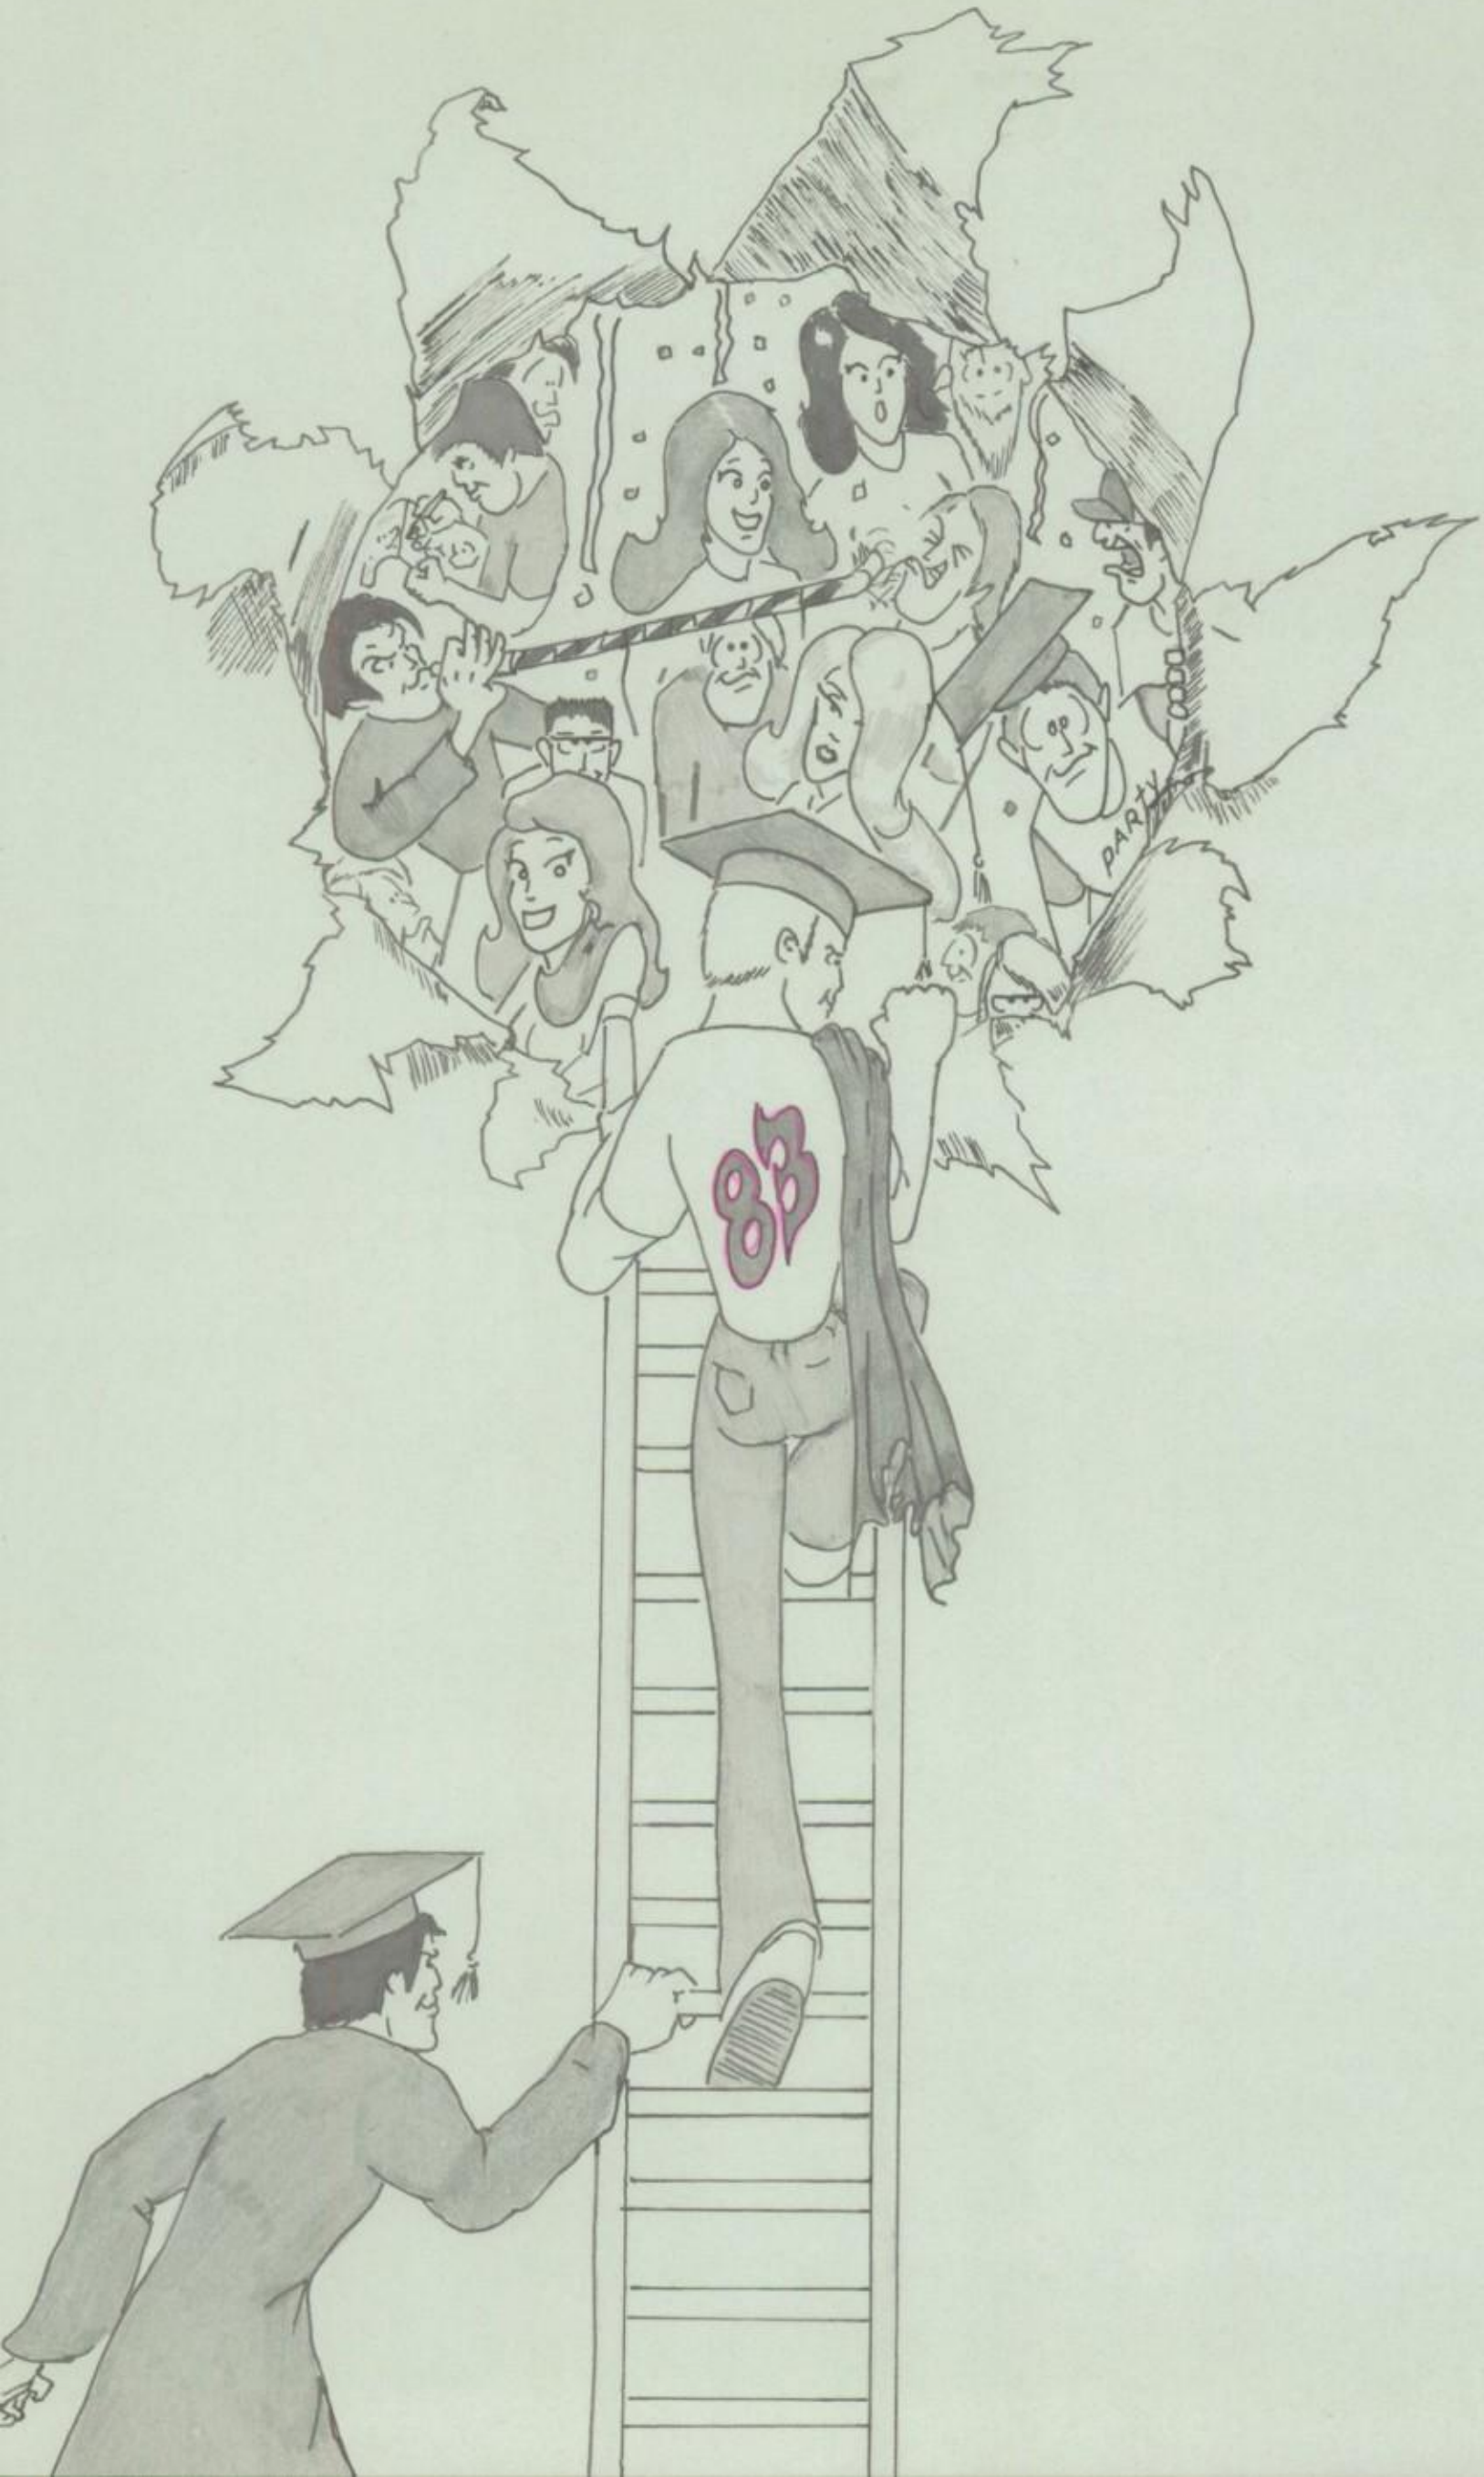
BREAKING AWAY



83
PARTY

In looking back at our high school years, the Class of 1983 has been a most versatile group of students. Since our freshman year we have strived for an underlying goal of class unity. My hopes, as Senior Class President, were to increase that already strong bond.

I think that the Great Expectations of the Senior Council brought much more meaning to our Senior year. Jointly we held fund-raisers which included the Welcome Dance, making and selling of Homecoming Ribbons, selling Carnations and Smurf wrapping paper and the Sadie Hawkins Dance. We also set up all the special activities saved just for seniors.

The saying "Confidence is knowing you have others to help you" best describes the confidence of any leader. The support received from my officers helped me to accomplish my goals. A most sincere thank-you must be extended to Mrs. Bea Gonzalez, our advisor, for giving her all for us, with loving care. To Eleanor Padilla for her support and bubbly attitude, to the faculty and administration for talking an interest in all of us, not just as students but as persons, and to the Senior Class for giving me a spirit for which to believe in and people for which to work for.

Sincerely,

James David Leal

CLASS COUNCIL

It is an outstanding accomplishment for the CSF members to become life members. In order to become a Life Member of the Federation a senior must have made CSF four semesters not including their Freshmen year, but one semester in their final year. To be eligible each semester a person has to get ten points. An A is worth three points and a B is one point. Only academic subjects are counted for these points. At the end of the first semester of the final year nine members qualified.

State representatives for 1982-83 were Ted Trujillo and Cindy Miller. For 1983-84 Stacy Oki.

Rave Reviews For Bank Of America Award Winners!

Bank of America's Achievement Awards has developed into one of the most comprehensive and highly respected student award programs, and is Pioneer High School's most prestigious award.

Twelve seniors were awarded certificates for their demonstrated excellence in specific academic fields. Three seniors were awarded personally engraved plaques for their outstanding records of performance in a general field of study. This trio was individually eligible to compete for cash awards up to two thousand dollars. Those plaque winners were James Leal, Amy Peralta and Murli Raman.

All of these seniors were greatly commended. They received the many rave reviews they so richly deserved!

A.S.B. CABINET

As the year comes to a close; I look back on the events that took place and cherish every moment. Planning for this successful year started by welcoming Freshmen at orientation and organizing the Welcome Assembly that gave an added boost to our new beginnings. Alot of time and effort were given by the cabinet to assemble a most memorable Homecoming and half-time show. In addition, we worked in support of needy families with our Can Food Drive and collected over a thousand cans! The best Can Food Drive ever! Our other cabinet-sponsored activities included the assembly starring comedian Pat Hurley, numerous dress-up days, and various dances throughout the year. Many thanks must be extended to my terrific cabinet, Mr. Torres, Mr. Eicholtz, and you, the student body for making this an unforgettable year.

Boys' League Prez.
Ted Trujillo

Boys' League, led by Ted Trujillo, was an active group this year. The first ever big brother-big sister campaign to welcome all incoming freshmen started off the year successfully. They also put on a fantastic Christmas Dance which was held at Rio Hondo College. Boys' League have participated in many events for the benefit of both boys and girls at Pioneer, including the donating of money for sports, assisting Girls' League with their Mother-Daugher Dessert, Powder Puff, and field trips to the Laker and Dodger games.

The 1982-83 Girls' League Board, led by Liz Agredano for the 2nd year, did an excellent job in organizing events at Pioneer. Their special events include choosing a "Girl of the Month", Mother-Daughter Dessert, Girls' League formal dinner-dance, and the most spectacular show at Pioneer, Titanette Revue.

THE HOMECOMING

Starring Elaine Lopez as Queen of the Titans, with Pricilla Melendrez, Heather Weaver, Jackie Balag and Liz Perez in supporting roles as Princesses.

The field events were a thrilling experience! Five fiats brought the princesses to their dads who escorted them down the field to the applause of their many fans. The M.C.'s, dressed in white tuxedos, read the Princesses autobiographies to the public. While the half-time clock kept ticking the Queen was announced in the last ten seconds. The Queen was then chauffered by Delbert Hallet in a model A Ford. It was a Broadway Hit!

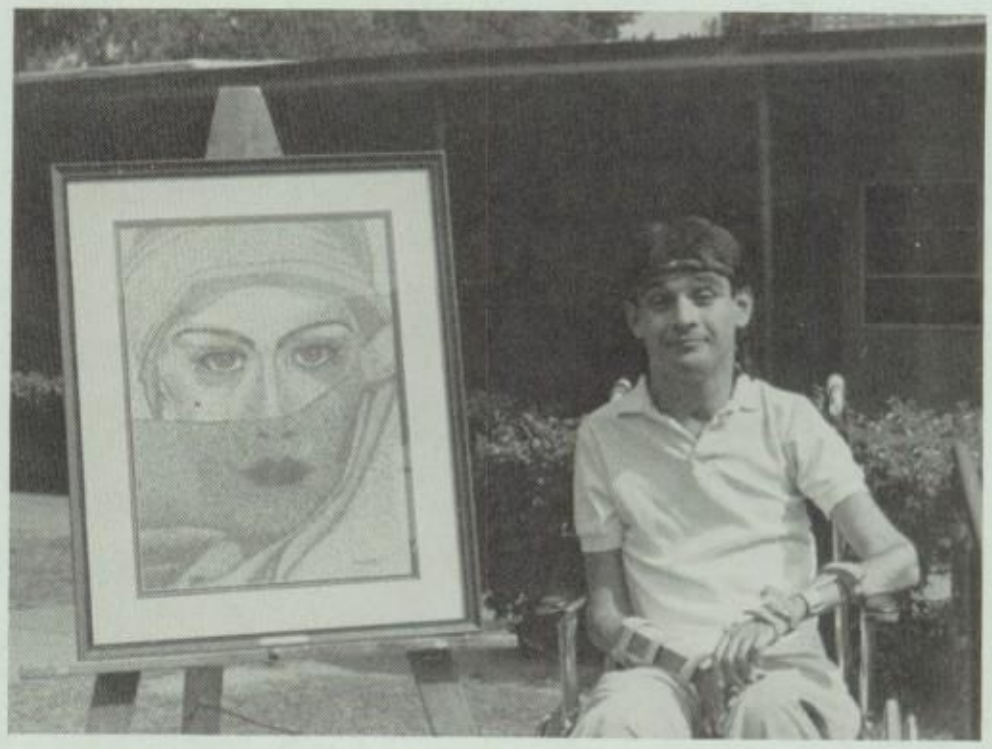
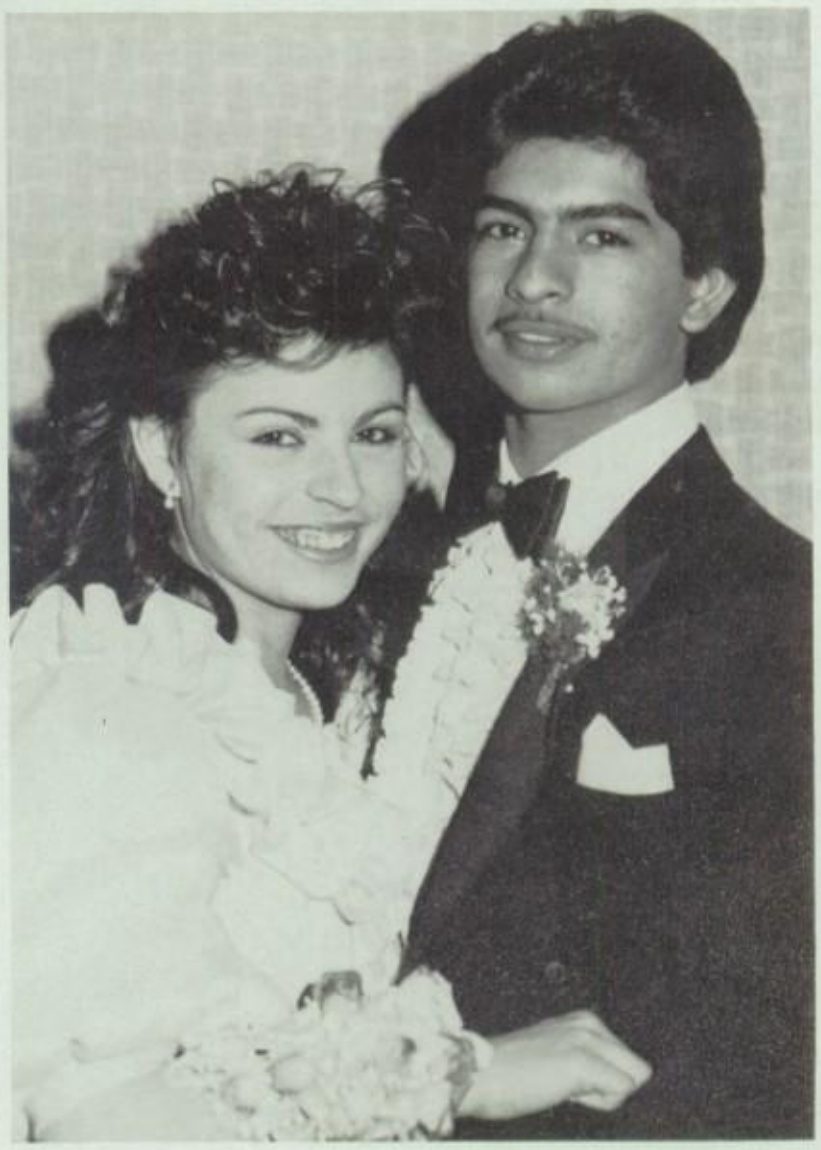
COMING HOME

Bob Thome left Pioneer High School 13 years ago critically injured after a bad football accident. He returned for his first Homecoming this fall, a Homecoming that was dedicated to him. The student body was proud to have a raffle, in which the winner would receive one of Bob Thome's paintings. All of the proceeds of this raffle went to Bob Thome and his hopes of buying a specially equipped van.

BOB THOME





The romantic setting for the 1982-83 Girls League dance was Luminarias in Monterey Park. All couples that attended will remember the warmth of the fire place and the refreshing water fall seen as they entered the lovely ball room. This set the mood for a spectacular evening. On January 28, all couples were thinking of being "Truly in Love", which was the theme for the dance. A night such as this leaves us memories we shall treasure for years to come. Luminarias complimented the Titans by expressing their positive feelings towards our school. They said we were the best behaved school ever!

Dreaming Of A White Christmas

Lisa Touzet was crowned 1982-1983 Christmas Queen by reigning Queen Liz Perez. This was another victory for the class of 1983 who have won this title for the third consecutive year. Lisa's court consisted of Princesses Elena Martinez, Debbie Salazar, and Alma Romero. the dance was held at the campus Inn of Rio Hondo College, where the large crowd danced to the sounds of arpegio. Our Boy's League did a stupendous job of putting together this enjoyable event.

Y'all shoulda be'en thar! It was the best little hoedown in California. Sadie Hawkins was what it was; a fun-filled evening set in the "Old West". Couples had a chance to visit various booths to "gamble" for prizes, get some grub or swig the moonshine (soda). Shot gun weddings were performed at the Hitchin' Post for less than an eye and a tooth. Square dancing provided some high-steppin' fun as did the music presented by The Sounds of Success. The Senior Class of 1983 did a jim-dandy job of creating the ***Best of the West!***

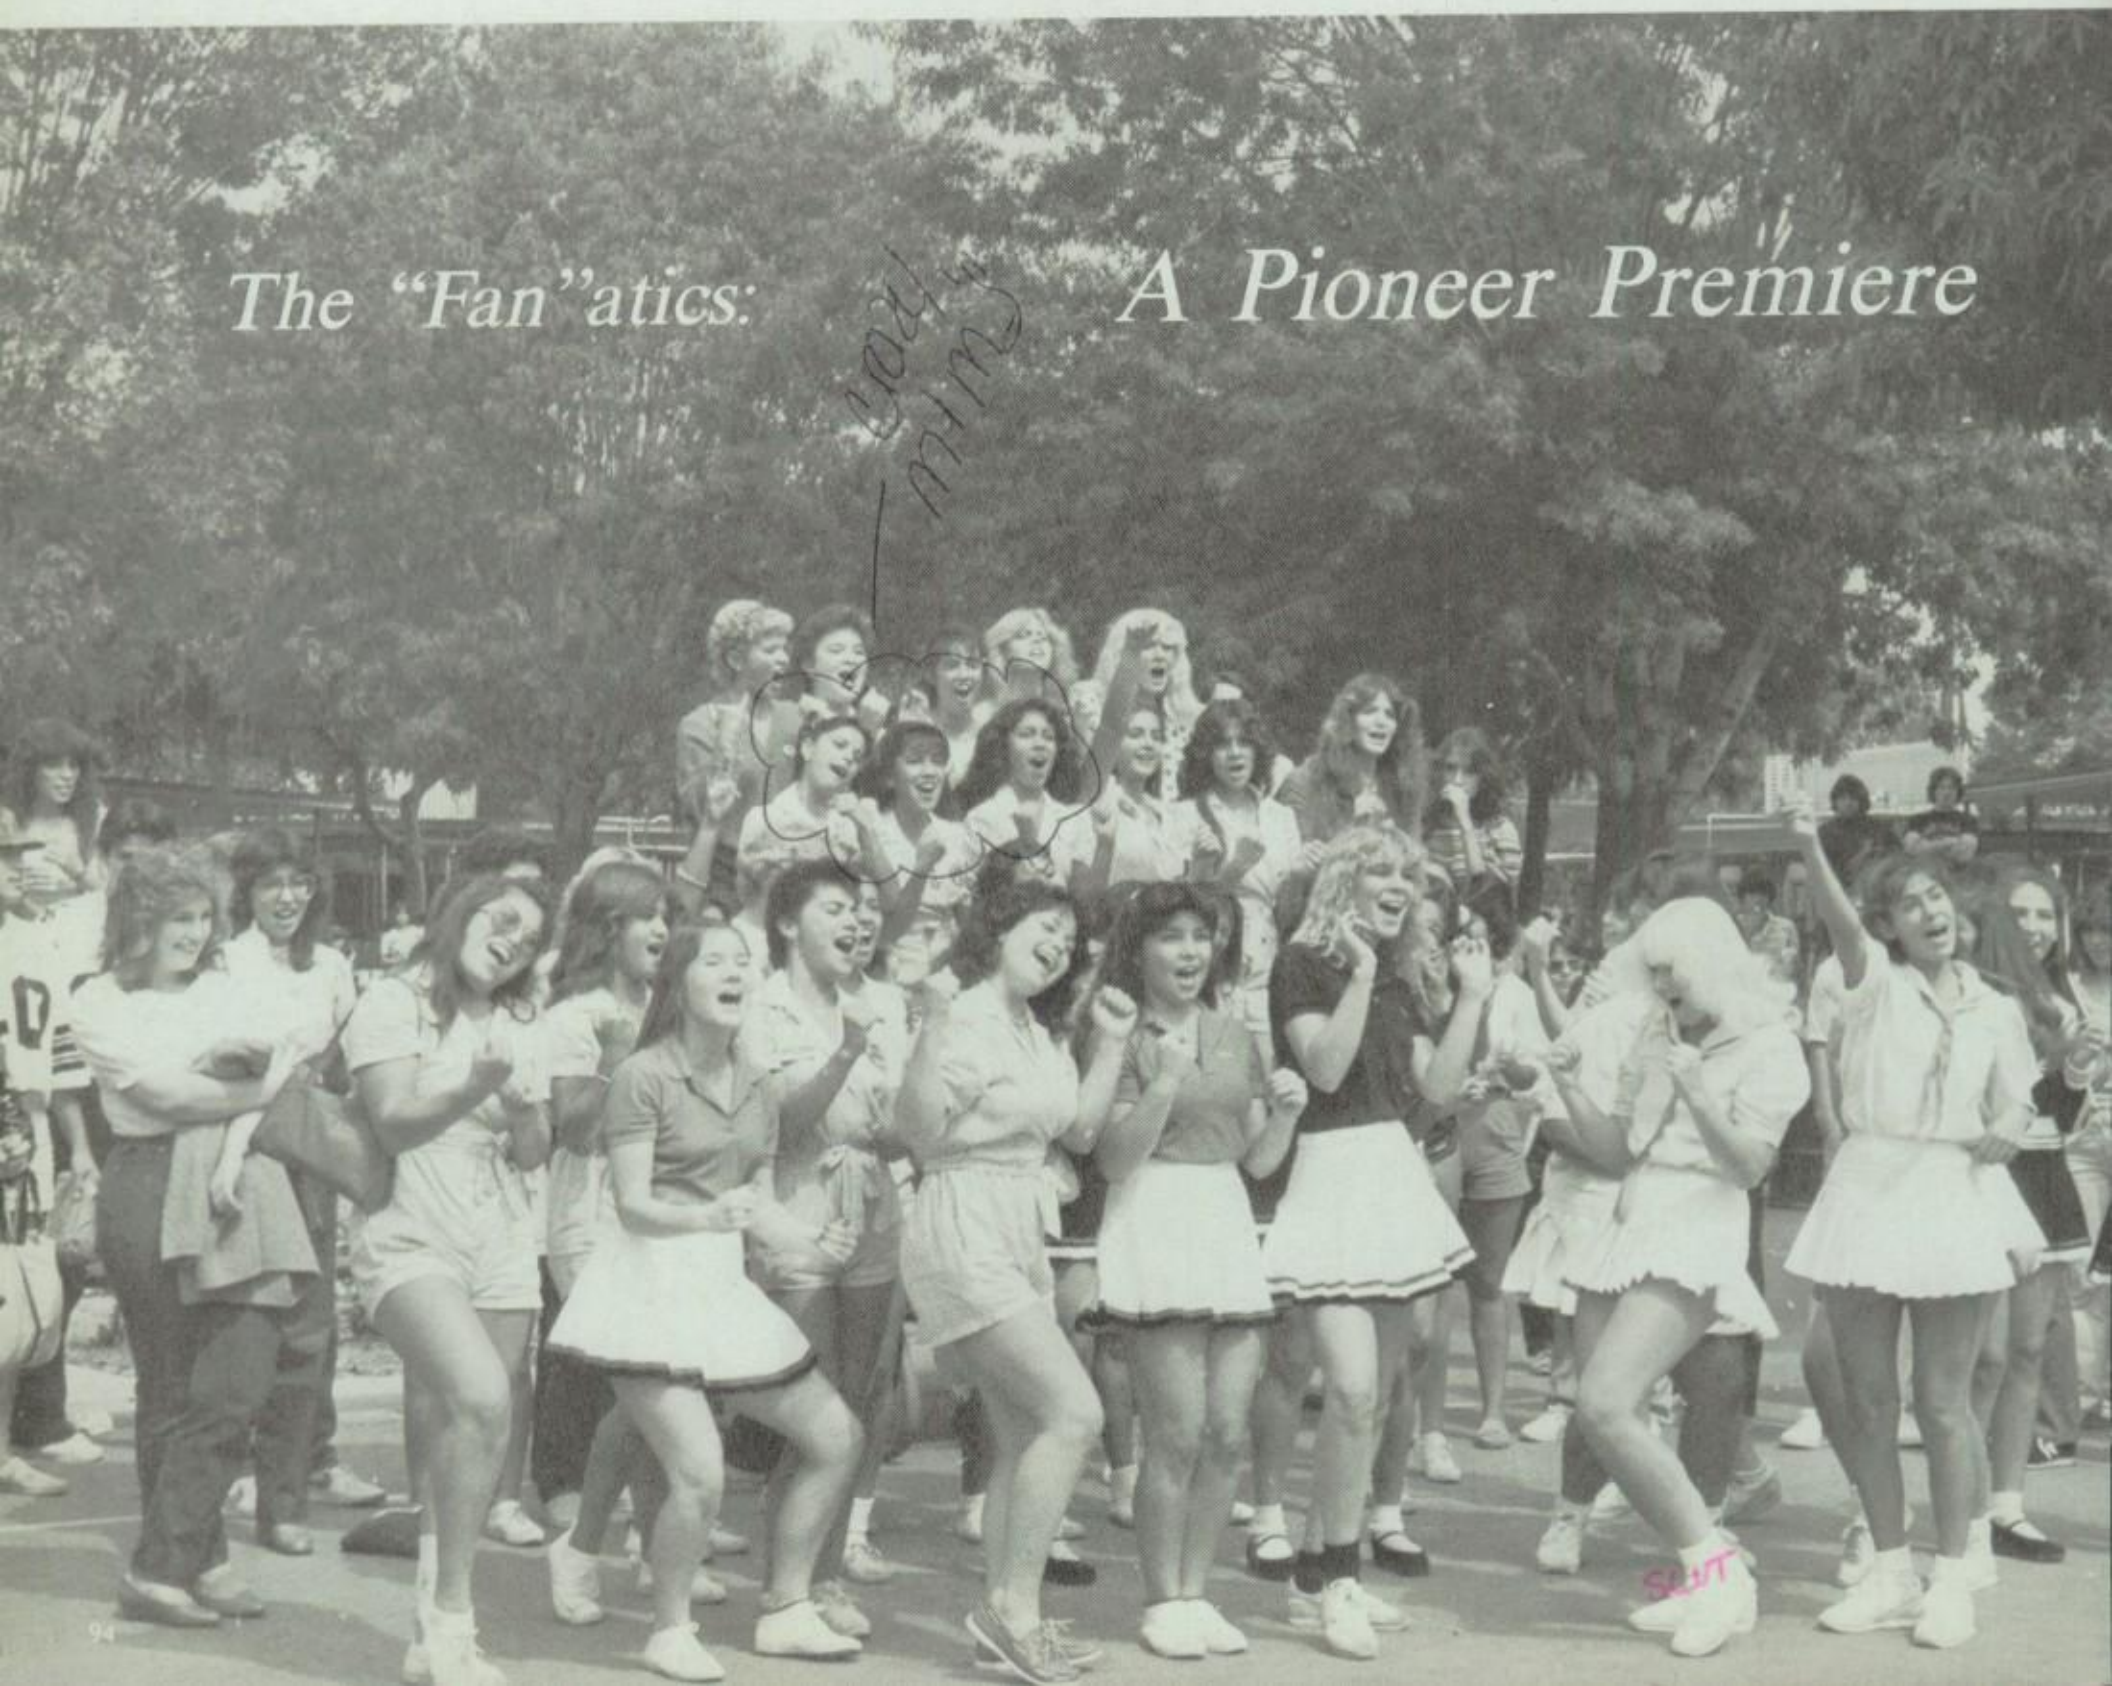
A Pioneer Premiere



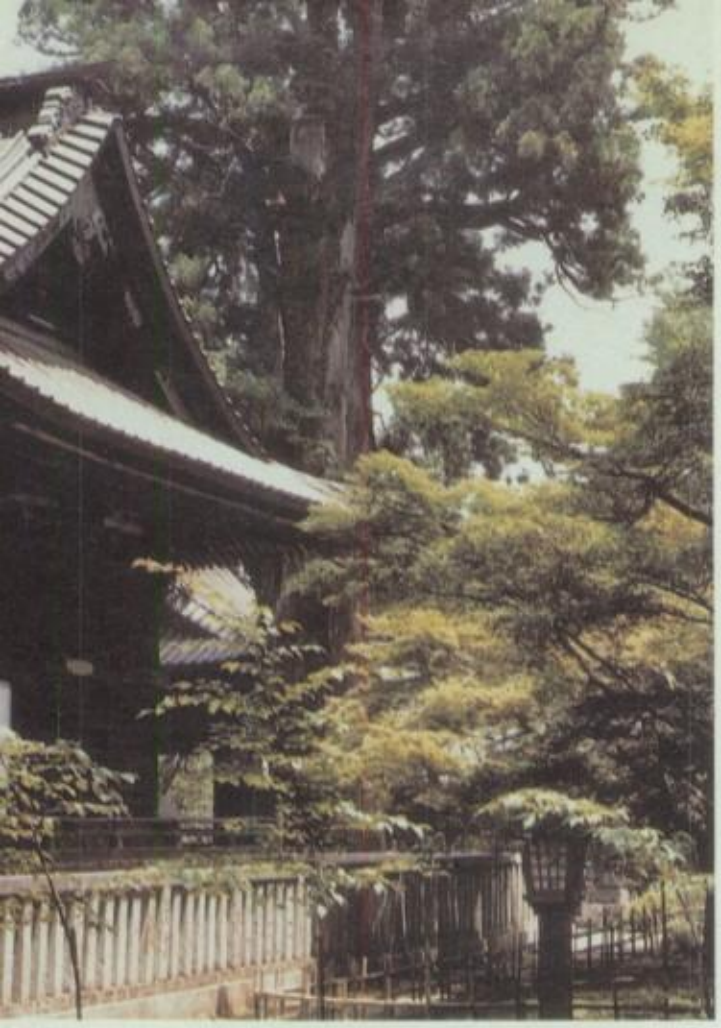
HIGH ANIXETY

On November 20th, students from all over Los Angeles came to Pioneer for the Academic Decathlon. Mrs. Kay Woudenberg, the coordinator of the event, gave moral support to Pioneers' team.

Each team consisted of six members. On Pioneers' team were Lisa Burnett, Sylvia Dominguez, Bernadette Rynn, Kurt Leier, James Leal, and Martha Gonzalez (with alternates Murli Raman, Donna Hall, and Brent Yamasaki).

The participants in the event felt it was a unique experience. They also felt it was long, hard, and fun-although it was a strain on the mind. Another contributor thought it seemed disorganized. Participants who weren't from Pioneer were impressed with the cleanliness of our campus, and the friendliness of our students.

LOS ANGELES COUNTY
ACADEMIC DECATHLON



JAPAN SUMMER OF '82

For the second consecutive year, Pioneer students were hosted by students of Yamanashi Gakuin High School in Kofu City, Japan. Mr. John Humphreys, our world reknown traveler, supervised the trip which proved to be enjoyable to all. Lasting memories resulted from a variety of interesting and unique activities.

Travelers depicted on right (l to r): Lisa Burnett, Alice Diaz ('82 Graduate), Mr. John Humphreys, Josefina Canchola and Shirley Salvador.

FLOWER DRUM SONG

It's really an "honor" to belong to the selected few, but it's not as easy as it sounds. You've got to have some self-dicipline to stay in this program. Once your in it, you could almost compare it to college! Well almost.

The faculty has a lot to do with this program being the dramatic success that it is. They cared, scolded, and pampered us when it was needed. And in some cases they even screamed! Omega staff made us feel right for what we were. We can best be expressed by a saying on Mrs. Woudenberg's shirt "It's O.K. to be smart!"

Special feelings were formed between teachers and students, a bond that showed at our school family nights. With ***O-mega Force*** *in full blast we're looking great!*

FAME

Denise,

Hi Crazy! Well i'm happy to say we're almost through with our Sophomore year. Boy! Did i screw up(once again). Nevermind, i'll be sure to visit you throughout the Summer cause i always keep in touch with all my close friends. Yeah, of course you're one of my closest buddies. You have been a great friend and i truely appreciate it. At last we've gone out together once(so far) but i'm quite sure we'll party and i mean "PARTY" throughout the Summer cause both you and Alisa should hopefully have your licenses, so then we can all take turns driving! You're really a bright girl and very understanding, please don't ever change. Stay as you are cause that's the way we all love you. As you are now. Hope you and Alisa never part cause arguments not problems cause it's awful when best friends don't get along. I'm sure your friendship will last forever cause you're both so understanding. Now it's time to wish you all the best of luck in Ohio. You guys have been through alot and it's crazy that you both hung in there. Your parents must simply be proud. That's why there was no doubt it became so hard. Eventually you guys came out on top, but let's not rush into things. Take a breather and enjoy your summer and don't forget to "PARTY". We have to keep in touch and come visit me sometime. I think I've said such a lengthy thing. Good luck always and in everything you do. Take care and God bless you always. You've made my sophomore year somewhat nice. Thanks a million for everything. Bye Kelley!!

Love & Friendship,

Melissa Plata

VARSITY YELL

Throughout the year, Varsity Yell stood united together promoting spirit and supporting the various sports teams at PiHi. During the summer, these girls took a number of awards ranging between first and second places. The final reward at summer camp came when they received overall sweepstakes. The yell leaders also represented Pioneer proudly at Jamboree with an awesome cheer in November. This crazy eight-member squad was a combination of many different personalities, all of which contributed to their success as a unit.

1982-83 VARSITY SONG

Outstanding! The 82-83 Varsity Songleaders have upheld the Titan tradition of bringing lots of recognition to Pioneer. At summer camp, these eight girls showed their talents by taking first place in all three competitions and winning three spirit awards, which resulted in an overall sweepstakes. They also took first place at the Huntington Beach Competition. In addition, they cheered for a variety of sports and performed at pep rallies and assemblies.

VARSITY FLAGSTERS

FADE TO BLACK

Black has become prominent as a powerful color in Titan pepster tradition. When the 1982-1983 Flagsters performed wearing this color they made a striking appearance! These girls worked hard to achieve first place and Sweepstakes at Hibbard's Camp. They also participated at Huntington Beach where they took third place. The flagsters highlighted their year by taking the title of first place at the Miss Drill Team U.S.A. competition. As this year FADES TO BLACK, our flagsters are remembered for having cheered and supported the athletic teams. Titan spirit soared when they performed at the various sports and pep assemblies.

WHITE LIGHTNING

The long, hard hours of practice paid off for the J.V. Yell leaders because when they donned their uniforms and began to cheer, they struck like White Lightning! At summer camp the squad took first place in two separate evaluations and first place in the final overall competition. It was a clean sweep over seven other schools and with their enthusiasm, they won the spirit jug. The squad's dazzling and unique style of promoting spirit helped many of our junior varsity teams to winning seasons. These girls also performed outstanding routines at many pep assemblies.

Our 1982-1983 Freshmen Yell leaders showed their pep and spirit by enthusiastically supporting various sports events. They took first place at Hibbard's Camp Competition and placed third out of fifteen schools at the Arroyo Competition. Headed by Jannie Cooper with the assistance of Co-Head, Elizabeth Enriquez, the six girls practiced many hours to bring out the best in each of their different performances. Just wait till next year!

Titan Band

The Mighty Titan Marching Band is a very unique group on this campus. They even have pet names for each other, such as: Stinker, Tinker, Drew, Tostitos, Pinto, etc. As Mr. Liedig says, "We practically live together." This is because they devote so much time practicing for performances. The Highlights for this year were: first place in Jamboree, second place in the Artesia Parade and fourth place in the Montclair Band Review.

In addition, this group performed at all home Varsity Football and Basketball games. They also attended the Concert Band Festival, the Santa Fe Springs Parade and a special Disneyland Performance.

HEAVEN CAN WAIT . . . IT'S DRILL TEAM NOW!

The 1982-83 Pioneer Titanette Drill Team was a spectacular one. They opened their parade season with a first and specialties at Artesia, closed with a Sweepstakes at Oceanside, and placed in every parade in between. The highlight of their season was regaining sweepstakes at Jamboree. Also being leaders in spirit they performed many half-time shows for both football and basketball games. They proudly represented Pioneer in the "Miss Drill Team USA" pageant and put on "Titanette Review" for just a few months later. This busy and determined Drill Team was led by Elaine Lopez, with assistants Vivian Chavez and Priscilla Melendrez. Advisor Marilyn Littlefield, gave them the support and energy they needed to be successful. Ms. Peterson also helped alot. They planned to close the year with an exciting trip to Cancun, Mexico this summer, a goal they worked for throughout the year.

The Titan Tones created special moments throughout the year by making their own sounds of music. They presented five vibrantly executed concerts. They also performed for numerous service clubs, church groups, convalescent hospitals and senior citizens groups. They are recognized as being one of the finest choral groups in this area as evidenced by their success in the various festivals in which they have participated.

82's Varsity players were strong, aggresive team members. Never once did they give up, no matter what the situation was that they were in. As for the J.V. and Freshmen Football teams; they stood together strong, and they surely left an impression on the other teams.

The Varsity Basketball Team, led by coach Vince Diaz, had a crazy time on the court. The "Circus Team", as they were nicknamed, had a reputation for flying lay-ups, which they showed off every chance they had. The team started off the season by winning the Valley Christian Tournament. In our own tournament, they wound up with 2nd place. Going into Whitmont League action, the Titans were 9-1, and ranked #5 in C.I.F. In league they played AWESOMELY, ending up with 3rd place in league. In C.I.F. the cagers went against #1 ranked Artesia, and gave them a real fight.

TITAN EXPRESS . . .

This was an exciting year for the Titan Express wrestling team, as it resembled a Terror Train in the way it conquered its opponents. With an undefeated season, the Express captured the Whitmont League Championship.

Some of the highlights of the year came with the victory over Santa Fe, 28-23, the first loss for the Chiefs in 13 years. The team continued to roll with tournament championships at Santa Fe, Cerritos J. C., Mountain View, and by having eight of its members qualify to the C.I.F. Championships.

The Titan Express was led by: League Champions, Pierre Hernandez, Darrin Curry, Martin Altamirano, other C.I.F. finalists, Martin Cabrera, Tom Magdelino, Ted Lozano, Paul Rodriguez, Javier DeLatorre, Dave Caler, Tino Guzman, George Flores, Simon Vanson and Carl Casey.

The year was an outstanding one, and it's only the beginning of what's to come!

Running, jumping and throwing, aren't the only things the track team can do. Other than win, they dance sing and heaven knows what else. At the time of publication they won their first two track meets. And we all know their gonna win the rest, or at least sing them to death. So we can safely assume that the "Track Tones" will make the charts.

The Varsity Soccer Team concluded its season by compiling an overall record of 8-11-1. In league play, the Titans squeezed by Montebello and El Rancho to gain sixth place.

The primary forces for the Titans included three seasoned veterans plus two newcomers who were very pleasant surprises. The three experienced players included Captains Carlos Heredia and Ignacio Lugo plus Senior German Ledesma. The two newcomers were Goalkeeper Cesar Callejas and John Vigil.

Always playing with intensity and ferocity, Heredia, a 1st Team All Leaguer, may well have been the Titan's MVP. Lugo was the mainstay of the Titan defense and Ledesma was the most prolific scorer with 10 goals.

Vigil and Callejas came from virtual obscurity to become key elements of the Titan Machine. Although Callejas had many goals cored against him, he made an innumerable amount of absolutely dazzling saves. Vigil, who had never played soccer before, went on to have a fine season with 6 goals and was voted into All League as a 2nd Team Member.

Other players cited by Coach Casillas for their unselfish team play and total hustle were Martin Garcia, Steve Akiyoshi, and Murli Raman.

It was a very rewarding season for all three boys' cross country squads. This year's Varsity team led by All-Whitmont League seniors Peter Gomez, most valuable runner Erick Gonzalez, and junior Bobby Garcia finished in third place overall. Losing only to Montebello and Whittier. The Junior Varsity team led by senior Jim Uribe finished in second place. The Frosh-Soph, with outstanding runner Chris Serrano, also finished third.

A special thanks to all the senior members on the team for their outstanding leadership and dedication. Your hard work was greatly appreciated.

INSIDE MOVES

At the beginning of the season the team was told that they had a better than average chance of taking league championship. It all depended on how well and how hard they worked together. Working hard was their choice and with a "little" encouragement they made it! They became Co-champions alongside Montebello with 12 victories and 2 defeats. "This was a beautiful group of girls to work with. Eight sophomores and seven freshmen made up the team. Each contributed in their own special way, on the court during games, or at practices. I leave this season with fond memories. The final game of the season was the most exciting game and In thank them for it. They showed the courage and respect of champions," said Coach Dan Garcia.

TRUE GRIT

The Sophomore Class has gone through two years of high school. Now that's True Grit! The council sponsored a car wash, a dance, and two candy sales. The money they raised will go into their account for the Prom next year. They worked hard, and Eddie didn't disappoint his mother.

President: Edward Roman; Vice President: Penny Rasor, Secretary: Lillian Carrillo; Treasurer: Noreen Rodriguez; Publicity: Yvette Coquelet.

THE PAPER CHASE

We've got to hand it to our District Administrators! They were faced with a difficult problem concerning money. Over 80% of our schools income comes from the state budget, but because of the recession we have experienced the past few years, our budget director has had a tough time making ends meet.

Universities and Jr. Colleges recently solved their money problems by raising their enrollment fees. High schools, however cannot put a price on enrollment. So while state funded organizations have found a solution, high schools such as ours are still in a dilemma. Although the State Legislature says there is going to be an economic recovery, it will take a long, long time before we feel any of it come our way. Just remember, "What you could have in the life of a nation, you must first put into its school."

Dr. Eisen visited our schools to get in touch with our student body. As you or I would expect, Pioneer received a raving review. He said that "I really enjoyed visiting your school. You've got a SUPER student body, a SUPER faculty, and a SUPER school."

Students are often unaware of the many decisions and existence of this group. We want to take the time to introduce to you the Whittier Union High School District Administrators of 1982-83.

A FORCE OF ONE

"Pioneer sparkles when the camera rolls!" or "We ought to be in the movies!" are appropriate expressions when we reflect on the past school year. It has been a great production beginning with the success of our pep squads during the summer; then, the fantastic football win over Bell Gardens; Pioneer's hosting of the Olympic Academic Decathlon; the incredible wrestling season; the exciting basketball games; the fabulous Titanette Review; the trip to Knotts' for clean campus - among many others - and ending with the graduation of an outstanding Senior class. The memories will last a lifetime.

Even more important, however, is the warmth and friendliness and family feeling that everyone finds at Pioneer. It's the love and respect we have for each other that makes us unique and very special. It is our hope that graduates carry that feeling with you when you leave.

We wish you happiness, success, and the very best in whatever you choose to do; and we hope that your experiences at Pioneer have helped to enrich your life.

Bon voyage!

The Magnificent Seven

This is how the 1982-83 school year went according to:
Mr. Gandara: "I think that this is the BEST year I have ever had at Pioneer."
Mr. Fiske: "This year the students are most interested in their future. They are also a lot more challenging, they set higher goals and reach them."
Mr. Kampa: "Pioneer means good friends, good times, good education an it is a neat place to be!"
Mr. Quiroz: "The students I have dealt with have made 1982-83 one of the most personally rewarding years to date."
Mr. McLean: "Pioneer High School feels good- oh we feel so good! ugh!"
Ms. Laughlin: "Of all the schools that I go to, Pioneer is my favorite. The students and faculty are really caring people. This year has been very rewarding for me."
Miss Peterson: "I feel indeed grateful to be here at PiHi and have enjoyed this past year tremendously. It seems like all the right ingredients came together to create the 'magic' that exists here at Pioneer. The seniors this year were a true inspiration. Their dedication, enthusiasm and creativity made 1983 the best yet. Good luck, I'll never forget you the Awesome Class of 1983!"

The Greatest Story Ever Told!

Far out! No more School! No more cafeteria food, and no more racing to classes to beat the tardy bell! Twelve years of hard work and graduation day has finally arrived. The feeling inside is a little scary because of the changes that will take place. There will be new challenges, responsibilities and goals to be met. But oh, think of all the memories to be kept! Remember all the ups and downs that we've shared together.

Think back to the Montebello football game. A dissappointing loss, an angry, hurt crowd and a mounting tension that exploded into chaos! We saw helmets tossed, cheerleader's stools flying, parents protecting their children and a surge of anger rush through the crowds. It was a sight to behold! This was not Pioneer's usual display of good sportsmanship or behavior. Good conduct is a tradition that had been set here at Pioneer and now the aftermath was a feeling of dissappointment and embarrassment to our Administration. But through it all we stayed together and isn't that what really counts?

So in spite of it all we worked to make and maintain the spirit to excell and rebuild what had been torn down. All this striving began to show bit by bit until we had a very obvious view of where this effort could lead. And finally we could hold our heads up high again!

It was Sunday, and because of a storm that lasted for two weeks, not many people were at Magic Mountain. The first week of competition we didn't have a rooter bus so our numbers were small. There were fifty-two schools competing and sixteen were selected for the finals. Our pepsters did a terrific job so we're off to Magic Mountain again! The second time a rooter bus was supplied along with excitement and great expectations! Our numbers increased to 140! Wow! What a crowd! What Support! And Buddy, let me tell you, our pepsters shined like gold! Right in the middle of their routine, their skirts flew off and the crowd roared! A standing ovation was given as our girls took first place!

I guess these happenings will never run out, and I can't paint a picture for each one, but the memories come back just as easy as you want them to. I laugh when I think of that Halloween when everybody thought there was going to be a costume contest and it was never pulled off: The day the Omega mural finally got finished: Band finally got first at Band Jamboree: Pat Hurley the comedian was here: The rally at Senator Campbell's office. And let us not forget the styles like Mod, Punk, and Vogue, or the music of KROQ, KUTE, KLOS, or KMET. These were all great memories but the ones I'll never forget are those of acquaintances and friendships. From the "hi" and "bye" friends to the friends I can't let go. It's hard to say that what we've been thru has been all fun, but I'm sure glad it was you I went thru it with! So tell me how to say goodbye to someone you've spent a lifetime with? Its all over except for the re-runs — the memories — the moments. Seems like it just started and now its over. Like the last episode of M.A.S.H. This annual will only catch a glimpse of those special moments. It will hold only short few pieces of time and to those moments captured here, it will be the key to all of your memories. "Hasta la bye bye!"

May God Bless You,
Belinda A. Puno

Denise,
It's been great knowing you. I'm glad we got to be better friends & hopefully we'll become better friends. Be sure that during the summer we get together & party. There's always someone to talk to & help out. Aren't you glad this is over & we're right? And I'll be around if you need anything else. The only thing I'll miss is not seeing Robert that much. I think he'll be able to fix that. Well lets keep in close touch over the summer. Remember to call "collect".

Denise,

A girl I met last year, and I'm glad I did. I hope your Senior and your Junior years are good, because after your out of school your going to wish you were back in school again. Have a great Summer. I know we have been through alot, like not getting along and having little fights when we used to hang around, but I'm glad after all we are friends, still. I still consider you as a close friend because I know I could trust you. I always have and I always will. We're going to have to get together and party this Summer, so I'll call you up. Or you call me up, we can party like the old times. Thank you for always being there when I needed you when I had problems. If you ever need anybody to talk to or you need a shoulder just call me up or go down my house I'll be there. Good luck with Julie, I know everything will turn out for you and him. You and him make a good couple. Don't let anybody tell you different. Take care of yourself.
